Software Engineer

## CAREER OVERVIEW

Software Developer with a passion for developing innovative programs. Looking forward to an organization that offers challenging environment to work for individual development and offers attractive prospects for long term development.

## SKILLS

React

Docker

Data Structures

HTML/CSS

Node JS.

PostgreSQL

Rest API

Fullstack

C++

JSON

Problem Solving

Database

Python

## PROFESSIONAL EXPERIENCE

**Software Engineer Intern | Integrated Active Monitoring Pune**

Aug '22 - Dec '22

**RFID / TAGID Inventory : ( ReactJS FASTAPI-Python PostgreSQL )**

Pune

*It is a dashboard used by leading Fashion Brands. Multiple attributes mapped over a multiple complex hierarchical structures .Writing frontend and backend , standardize code that debugging should be easy.*

**Research Trainee | Sinhgad Institute of Technology Pune**

Dec '22 - Present

**OCR tool ( Python Data structures C++ )**

Pune

*Analyzed text files written in sanskrit detecting mistakes in grammar, optimized algorithms for faster reading and spell check, smart suggestion / prediction for better user understanding.*

**Lab Assistant | Garware College of Science Pune**

Dec '19 - Mar '20

**Problem Solving ( OOPS Java C++ Python Data Structures )**

Pune

*Helped students at problem solving using various data structures and oops concepts programming*

## Company and Personal Projects

### logistics Services :

Dashboard for a transport/logistics company

Present date wise inward and outward data upload data from excel file render and show output

Provided user interface to track the delivery truck using GPS fetching coordinates on a set time interval

Tag tracker for multiple air-bibils used to keep track inward and outward tags

Writing frontend as well as backend soo standardize that debugging should be easy.

### Screen Sharing and Chat Application

A group network where you can invite people share screen and have chat

Originally designed to connect to remote site users too solve any upcoming issue

Various web sockets interacted simultaneously to transmit data

### Training and placement cell

Platform for Students, Teachers and Companies

One can schedule placement drives, students can register for the company

Students can sharpen their skills by taking the tests which can be assigned by Teachers or companies.

Highlighting the students who are placed during the campus placements.

Currently it used by Abasaheb Garware College

## ADDITIONAL INFORMATION / VOLUNTEERING EXPERIENCE

Participated in Basket Ball Tournaments.

Participated in the college Cultural Fest as a volunteer.

## EDUCATION

**Masters of Computer Applications**

Jan '22 - Jun '24

**Sinhgad Institute of Technology**

Pune

CGPA : 8.6
